Site, users, rooms, dimensions, budget, timeline and sourcing requirement.

05 / TECHNOLOGY + APPLICATIONS

Users, current workflow, essential actions, data, integrations and release need.

CONTACT MAYUR DIRECTLY

mayur@gondaliya.com / gondaliya.com

A PUBLISHED PROJECT WILL NAME MAYUR'S ROLE, SCOPE, COLLABORATORS AND EVIDENCE.

Healthcare scope: category-level only, not medical advice, a product catalogue or a regulatory claim.
Medicines and regulated products require appropriately licensed partners, product evidence, buyer eligibility and destination-market review.

A DEFINED REQUIREMENT IS THE START.
